Re: CC Docket No. 95-116; WC Docket No. 09-109

Dear Ms. Dortch:

On March 3, 2015, Len Kennedy, General Counsel of Neustar, Inc., Scott Deutchman, Deputy General Counsel of Neustar, Bill Reidway, Vice President of Numbering Services at Neustar, and I, met with Michele Ellison, Deputy General Counsel, and Laurence Bourne, Neil Dellar, and Terry Cavanaugh, all of the Commission's Office of General Counsel, to discuss matters related to the Commission's consideration of the NANC's recommendation for selection of the Local Number Portability Administrator ("LNPA") for the next contract.

Our discussion focused on the provisions of the current contract between the NAPM, LLC, and Neustar related to termination and transition consistent with our ex parte letter filed February 20, 2015. The NAPM need not provide a notice of non-renewal before April 1, 2015. On the contrary, after automatic renewal, the NAPM will have the right to provide a notice of termination at any time prior to April 1, 2016.

We also noted that because the transition provisions of the current contract do not require Neustar to perform the services that are required for an effective transition, further negotiations on that point will be required, and they should be completed before any selection decision is made.
